

DATA SHEET

DULA circular lightweight compressed air hose

name	R19BG
colour	blue with yellow stripe
shape	round, dimensionally stable
length	1 - 300 m / pcs
inner diameter [inch]	3/4 " (19,9 - 20,4 mm)
nominal pressure	30 bar
burst pressure	90 bar
allowed fluids	compressed air, water
weight	160 - 180 g/m
min. bending radius	60 mm
temperature	-30 °C to +90 °C
outer hose material	high-strength PE yarn with PE monofilament, circular woven, ozone- and UV-resistant
inner hose material	oilresistant rubber
